

# SOFTWARE LICENSE AGREEMENT

DOCTOR WEB, LTD.

The present License agreement is a legal agreement between You, end user (either an individual or a company, hereinafter referred to as "You") licensing Dr.Web program (hereinafter referred to as "Software" or "SW"), and Doctor Web, Ltd (hereinafter referred to as "Doctor Web") – the developer and the exclusive Title holder to the accompanying Software in which developments and technologies of other developers licensed in accordance with the laws of the Russian Federation and international conventions can be used.

1. Doctor Web hereby grants you a non-exclusive, non-transferable right to use the Software on the terms specified hereunder. If you do not agree to the terms of the present License Agreement, you may not install or use the Software. By accepting the terms of the present License agreement, you hereby agree to be bound by its terms and conditions. All the conditions stipulated below, should be treated both with regard to the Software and to all its components. The Software and the accompanying documentation are subject to the exclusive property rights of the Licensor. Infringement in using the Software is considered illegal and may be legally prosecuted.
  2. The title to the Software, licensed under the present agreement, is retained by Doctor Web.
  3. You may not alter, decompile, reverse engineer, decrypt or perform other actions with the object code of the Software, with the aim to obtain information on algorithms used in the Software without Doctor Web's written consent to it. You may not modify the internal protection procedure of the licensed Software. Copying the Software with the removed or corrupted internal protection mechanism, as well as using such Software, is considered illegal. You may not also distribute the Software, i.e. to give direct or indirect access to the Software (or its components), reproduced in any material form or in any other way, including through a network, neither may it be sold, rented, borrowed, including import for any other of the above purposes. You are not allowed to render services or do any work according to contracts with third parties with direct or indirect usage of the Software.
  4. During the term of the Agreement you may use the Software, receive the virus database updates, as well as the Software program modules upgrades, when they are issued by Doctor Web, contact technical support service of Doctor Web or its distributor, which has a correspondent contract with Doctor Web. Doctor Web warrants that every user's application will receive a response, provided that it submits its registration data through the electronic system of the technical support on the web-site of Doctor Web or via e-mail. You hereby agree that the data received from your during the registration, as well as the information submitted to the technical support service, may be used by Doctor Web at its own discretion for internal purposes solely. Doctor Web guarantees that it will treat such information as confidential and it will not be accessed by third parties or individuals not being a staff of Doctor Web.
  5. The Software and the accompanying documentation are supplied on an "ASIS" basis, which is an international practice. This means that in no event will the Doctor Web be liable for possible damage incurred by you during the installation, updating, support or operation of the Software (including non-compatibility of the Software or its conflicts with the software of third parties (packages, drivers, etc.), or problems arising out of ambiguous interpretation of the accompanying documentation, or if the operation of the Software does not meet your expectations, etc.).
- Any company or individual legally using the Software understands that the entire risk for possible negative consequences caused by non-compatibility of the Software or its conflicts with the software of third parties installed on your PC(s) or servers is borne

y himself (herself). The Software is not designed and licensed for use in the information systems operating in hazardous environments or in life support equipment, where its failure to operate may threaten people's lives or incur gross financial damages.

6. The Agreement comes to effect when you receive the executable file. The term of the Agreement corresponds to the license term you have chosen. Doctor Web may terminate the Agreement should

any provisions of the present Agreement are violated by you.

7. The present Agreement is governed by the laws of the Russian Federation.
